EXPORT PROMOTION MISSION DETAILS

The Export Promotion Mission (EPM), launched on 20thFebruary 2026, is a flagship initiative jointly implemented by the Department of Commerce, Ministry of MSME, and Ministry of Finance. It represents a whole-of-government effort to systematically address the structural bottlenecks faced by Indian exporters—especially Micro, Small and Medium Enterprises (MSMEs)—and to enable broad-based, inclusive and sustainable export growth.

EPM is designed as a comprehensive, MSME-focused mission that integrates finance, compliance, logistics, and market access support into a unified framework. Its overarching objective is to unlock India's potential as a globally competitive export powerhouse by strengthening the exporter journey end-to-end

Structure of the Export Promotion Mission

EPM operates through two integrated sub-schemes:

1. **NIRYAT PROTSAHAN – Driving Trade Finance Access**
2. **NIRYAT DISHA – Expanding Holistic Market Access**

Together, these sub-schemes address both financial and non-financial barriers to exports.

1 NIRYAT PROTSAHAN – Driving Trade Finance Access

NIRYAT PROTSAHAN focuses on bridging the trade finance gap for MSMEs by providing timely, affordable and diversified credit instruments. It integrates interest subvention, collateral guarantee, credit enhancement, risk-sharing mechanisms and alternative trade finance models, including for e-commerce exporters.
The details of various schemes are given below.

1.1 Interest Subvention Scheme on rupee export credit

- The interest subvention enables interest rate reduction for exporters on Pre Shipment Rupee Export Credit and Post Shipment Rupee Export Credit. The scheme is being operationalised through the Reserve Bank of India on a pilot basis.

- The scheme is applicable to MSME manufacturer exporters and merchant exporters (holding a valid active Importer-Exporter Code (IEC) (not suspended, cancelled or in the Denied Entity List (DEL)) and a valid MSME Udyam Registration Number) for the notified positive list of HSN six-digit tariff lines, which include HS codes under Chapter 41 (Leathers), Chapter 42 (leather products), tanned fur skins (430211, 430219, 430230), artificial fur and articles thereof (430400) and also footwear and components (Chapter 64).

- The rate of interest subvention @ 2.75 % per annum will be available on Pre Shipment Rupee Export Credit and Post Shipment Rupee Export Credit.

- An MSME exporter may receive a maximum subvention benefit of Rs 50 lakh per financial year.

- Eligible MSME entity shall, prior to applying for export credit, file an online declaration of intent to avail interest subvention. Upon submission, a Unique Identification Number (UIN) shall be generated.

- The UIN shall be electronically linked to the bank account specified by the entity in their IEC profile and shall remain valid until the end of the relevant financial year.

- Each UIN shall correspond to one lending bank. Where an MSME entity avails export credit from multiple banks, separate UINs may be generated for each such bank

- The scheme has been notified vide DGFT Trade Notice No. 20/2025-26 dated 2.1.26.

Updated via Trade Notice No. 13/2026-27 (14 July 2026):

- Claim timelines extended till 31.07.2026 for Jan–Mar 2026 cases.
- UIN generation must be within 15 days of disbursal (FY 2026-27 onwards).
- Separate UINs required for pre-shipment and post-shipment credits.
- Year-specific UINs mandatory for running accounts.
- Past cases require separate auditor-certified claims.

1.2 Collateral Support for Export Credit

- The objective is to facilitate access to formal credit for MSME exporters, especially those lacking sufficient collateral, by providing credit guarantee support

- All MSME manufacturer exporters and merchant exporters holding a valid active Importer-Exporter Code (IEC) and a valid MSME Udyam Registration Number shall be eligible to receive collateral support for export credit.

- As far as footwear and leather sector is concerned, the scheme is applicable for the notified positive list of HSN six-digit tariff lines, which include HS codes under Chapter 41 (Leathers), Chapter 42 (leather products), tanned fur skins (430211, 430219, 430230), artificial fur and articles thereof (430400) and also footwear and components (Chapter 64).

- Export credit extended by lending institutions in accordance with the Reserve Bank of India (RBI) Master Directions on Pre- and Post-Shipment Export Credit shall qualify for support under this component.

- The intervention is being operationalised through the Credit Guarantee Fund Trust for Micro and Small Enterprises (CGTMSE) on a pilot basis.

- Salient features for exporters include:

- *Credit guarantee coverage of up to 85% for Micro and Small exporters and 65% for Medium exporters, subject to notified ceilings;*

- *Maximum guarantee limit of ₹10 crore per exporter for FY 2025–26;*

- *Coverage limited to export-linked working capital credit;*

- The procedure for online filing of intent by eligible MSME exporters on the DGFT portal, including step-by-step application requirement is specified in Trade Notice No.21/2025-26 dated 2nd January 2026.

Governance & Expectations

EPM adopts a whole-of-government convergence model involving EPCs, Line Ministries, State Governments, Indian Missions abroad, financial institutions and media stakeholders.
All interventions will initially operate on a pilot basis and be reviewed after six months based on uptake and stakeholder feedback

RELIEF scheme

Besides the above, Government of India has announced "RELIEF" (Resilience & Logistics Intervention for Export Facilitation) - an intervention under the Export Promotion Mission, vide DGFT Notification No. 65/2025-26 dated 19.03.2026, to support Indian exporters affected by extraordinary freight escalation, heightened insurance premia and war-related export risks arising from disruptions in the Gulf and wider West Asia maritime corridor.

RELIEF scheme facilitates ECGC coverage for shipments to countries namely UAE, Saudi Arabia, Israel, Kuwait, Qatar, Oman, Bahrain, Iraq, Iran, Yemen, Egypt and Joran, for the specified period.
The scheme details are as follows

Component	**Details**

Component 1	Meant for ECGC existing customers · Period of shipment covered (14.2.2026 to 15.3.2026) · Cover to be provided up to 100% at the existing premium rates · The Government shall reimburse to ECGC for the amount which ECGC shall pay to its Policyholders in excess of that is ordinarily payable under ECGC's existing cover
Component 2	To encourage exporters to opt for ECGC Policy excluding energy shipments · Period of shipment covered (16.3.2026 to 15.6.2026) · Cover to be provided up to 95% at the existing premium rates · The Government shall reimburse to ECGC for the amount which ECGC shall pay to its Policyholders in excess of that is ordinarily payable under ECGC's existing cover
Component 3	Meant for non-ECGC customers and to MSMEs · Period of shipment covered (14.2.2026 to 15.3.2026) · In respect of CIF contracts, reimbursement shall be provided to exporters up to 50% of additional freight and insurance · In respect of FOB contracts, reimbursement shall be provided to exporters up to 50% of the reduction between the contracted FOB value and the realized export proceeds · There is an overall ceiling of Rs.50 Lakh per exporter

Conclusion

The Export Promotion Mission is a transformative initiative that integrates trade finance, compliance readiness, logistics efficiency, market intelligence and global branding under a unified framework. By combining NIRYAT PROTSAHAN's finance enablement with NIRYAT DISHA's market and compliance support, the Mission aims to institutionalize structured buyer connectivity, reduce credit constraints, strengthen MSME competitiveness and decentralize export growth to low-export-intensity districts.

With robust financial allocations, clear eligibility norms, exposure caps, structured procedures and cross-ministerial convergence, EPM represents a comprehensive, end-to-end export ecosystem reform designed to empower MSMEs and accelerate India's global export ambitions
